Attention! Watch out for bike thieves! An information service by the police +43 (0)59133/4102

There have been repeatedly cases of bike theft at bike events. The following information will enable you to protect your belongings best possible during the Salzkammergut Trophy.

Please note the brand, model and frame serial number of your bike before you arrive. Take this information to the event; respectively specify these data in the registration system of the organizer!

Never leave your bike unattended! Leaving your bike unattended – especially in such crowded places as the starting/finishing area – even within a few meters does not protect from theft.

If you have to **leave your bike behind** – even for a few minutes – in order to pick up your racing number or to use the restrooms be sure to lock the bike or **hand it over** to someone you trust.

Make sure that your **bike is also locked** with a bike lock when leaving it in the car or on the roof rack.

Be also aware that a **regular bike lock** is in most cases **not sufficient enough** against theft. Use only bike locks with a high security standard.

Make sure your **bike** is **not visible** when leaving it in the car.

Never keep your bike in the car or on the roof rack overnight – leave it only in locked up rooms or storages.

Basements, garages or sheds which are accessible from the outside should be equipped with an **additional safety lock**. It is better to store your bike in your hotel room or even in your camper.

Be aware that you may be observed by someone when storing your bike. If you notice any suspicious-looking persons or delivery vans please call immediately this number: **+43 (0)59133/4102** or contact the police.

The **police station in Bad Goisern** is located at the Obere Marktstraße 5 in the building of the Raiffeisen Bank, right next to the starting/finishing area of the Trophy.

Dear biker!

In order to avoid waiting time at the hospital, please be sure to seek medical assistance **first** of all at **the Red Cross Tent** in Bad Goisern. It is located behind the Sparkasse in the start/finishing area!

Ambulance: +43 (0) 660 / 57 360 84
